Un resplandeciente palacio de hielo
para una bella princesa.

A vibrant winter scene with a castle, snow-covered trees, and animals. The castle on the left has blue and pink roofs. Snow-covered trees in shades of blue and yellow surround the scene. In the foreground, a fox-like animal in a striped sweater and a bear-like animal are walking. In the background, three birds are perched on a branch. Snowflakes of various colors are scattered throughout the scene.
